The screenshot shows the homepage of the Interreg Mediterranean website. The browser address bar displays <http://interreg-med.eu/en/home/>. The website header includes the Interreg Mediterranean logo and navigation links: Home, Programme, Projects, Events, Toolbox, and MED Community. The main content area features a hand-drawn diagram titled "HORIZONTAL PROJECTS" with a large arrow pointing right. The diagram illustrates a process flow: "MODULAR PROJECTS" (divided into M1, M2, and M3) leads to "STUDY & TESTING", which then leads to "CAPITALISING & INTEGRATING". A circular arrow labeled "A FULL CYCLE" indicates a continuous process. The diagram also includes boxes for "COMBINING PROJECTS", "M1+M2 = STUDYING & TESTING", "M2+M3 = TESTING & CAPITALISING", and "M1+M2+M3 = INTEGRATED PROJECTS". To the right of the diagram, a text box states: "The 2nd call for Modular projects is open! The second call for Modular project proposals is now open. It will close on **31 March 2017 at 12:00** (Paris time). The call is restricted on different levels. An Applicant Seminar will take place on **22nd February** in Barcelona." Below this text is a red button labeled "Read more". The website footer features the Interreg Mediterranean logo and the European Union flag.

The screenshot displays the Interreg Mediterranean website interface. At the top, there is a navigation bar with contact information (phone numbers +33 4 91 57 52 96 / +33 4 91 57 51 33 and email info@interreg-med.eu) and social media icons. Below the navigation bar, the main content area is divided into two columns. The left column features a cartoon illustration of a modular building under construction, with the word 'MODULAR' prominently displayed. Below this illustration is the title 'Manual for Modular projects' in purple. The right column features a cartoon illustration of a horizontal project site with a large sign that says 'HORIZONTAL'. Below this illustration is the title 'Manual for Horizontal projects' in teal. Both columns list the same set of chapters: Chapter 1 – MED FRAMEWORK, Chapter 2 – BUILDING A MED PROJECT, Chapter 3 – APPLICATION STAGE, Chapter 4 – IMPLEMENTATION STAGE (NEW), and Chapter 5 – COMMUNICATION (NEW). A note below the chapters states: 'Please note that some information contained in the Chapter 2 & 3 were for candidates of the first call for proposals and will change for the next calls.' Below the chapters, there is a section titled 'ANNEXES' which lists: Annex 1 – Application form template for the first call for modular projects, Annex 2 – Partner declarations system, Annex 5 – Procurement for external experts, and Annex 6 – Assessment of the project support system. The right column has identical content but with slightly different link colors.

NACIONALNA KONTROLA

- V Sloveniji se kontrola projektov izvaja centralizirano
- SVRK je odgovorni organ za prvostopenjsko kontrolo poročil slovenskih projektnih partnerjev
- e-pošta: kontrola-med.svrk@gov.si

Opozorilo: SLO projektni partnerji stroškov za kontrolo ne planirajo v projektnem proračunu, ker je za njih kontrola brezplačna
